Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.97(c)(2), applicants respectfully request that the Examiner review and make of record the single U.S. patent reference identified in the attached PTO-1449 form. Applicants respectfully request that the Examiner initial and attach a copy of the initialed PTO-1449 with the next Office Communication so that applicants can confirm that the references have been reviewed and made of record. As this application was filed after June 30, 2003, pursuant to MPEP § 609, a copy of the U.S. patent document is not attached to this Information Disclosure Statement ("IDS").

This IDS is not intended as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that the cited reference constitutes prior art to the present application within the meaning of 35 U.S.C. § 102.

Accompanying this IDS is the \$180.00 fee required under 37 C.F.R. §§ 1.97(c)(2) and 1.17(p) for submission of this IDS after the mailing of a first Office Action, but before the mailing of an Office Communication that closes prosecution. If the Office deems that an additional fee is required in order to process this paper or that an overpayment has been made for this case, then the Commissioner is authorized to charge such fee or to credit any overpayment to Deposit Account No. 18-0580.

Respectfully submitted,

By:
